Highlights of the Fifth Regular Meeting of the Conseil scolaire public du Nord-Est (CSDNE)

North Bay, February 5, 2008 – The *Conseil scolaire public du Nord-Est de l'Ontario* (CSDNE) held its fifth regular meeting of the school year on January 22, 2008, by videoconference.

At this meeting, the trustees voted to celebrate Family Day, a new statutory holiday created by the Government of Ontario. The schools and offices of the Board will therefore be closed on Monday, February 18, 2008, in order to emphasize and celebrate the importance of families spending time together.

The Board also approved the logo, mascot, motto and colours of *École publique des Navigateurs* in Haileybury. The school's official launch will take place next February 12 at 1:00 p.m. in conjunction with the opening of the school Carnival. As well, the Board is pleased to announce that construction of the new *École publique des Navigateurs*, located at 39 Hesse Street in New Liskeard, is progressing well and will probably be completed before the end of June 2008.

In addition, Normand Beaudry and Chantal MacIvor, principal and vice-principal of *École publique Renaissance* in Timmins, presented their project *Équipe de la réussite . . . une pratique réussie* (Team for Student Success – A Successful Practice). This team's mandate is to develop procedures and models for the school to facilitate tracking of at-risk and special needs students, to ensure intervention coordination and follow-up, and to assess the effectiveness of programs and services.

The next regular meeting of the CSDNE will take place on Thursday, February 28, by videoconference. For further information regarding the regular meetings of the CSDNE, dial 472-3443 or 1-888-591-5656, ext. 238.
