**An agreement has been reached!  
Great news for Francophone students in Iroquois Falls**

**PRESS RELEASE**

**North Bay and Timmins, May 12, 2015** - The *Conseil scolaire catholique de district des Grandes Rivières* (CSCDGR) and the *Conseil scolaire public du Nord-Est de l'Ontario* (CSPNE) are happy to announce that the two Boards have signed an agreement that will ensure the perenity of the partnership between école secondaire catholique and école secondaire publique L'Alliance in Iroquois Falls.

The two Boards have reached an agreement related to this new collaborative capital investment project. This unique endeavor will ensure the full development of the Francophone community in the Iroquois Falls area.

Cooperation between the two Boards will ensure the continued offering of quality educational services in the area, while allowing each school to fulfill its own mission and vision respectively.

The unique context faced by the French community in the Iroquois Falls region – minority status, sparsely populated rural area – is a strong incentive for the two Boards to share their efforts and resources within a single school building.

Thanks to this agreement, students from both Boards will benefit from a warm and respectful learning environment that will enhance the development of the French community in Iroquois Falls.
