## Students at *Conseil scolaire public du Nord-Est de l'Ontario* Launch Their First Holiday Season CD

**Northeastern Ontario, December 3<sup>rd</sup>**, – Students from the *Conseil scolaire public du Nord-Est de l'Ontario* (CSPNE) are all very excited about the launching of their first Holiday Season CD. The official launching will take place on Wednesday, December 8, at 9:00 am. Students from every school will be able to participate in the launching through our videoconference system.

The general population and media representatives are welcome to attend this important launching.

The artistic direction, musical accompaniment and production of this first Holiday Season CD by the students of CSPNE is the work of the incomparable and the most generous person we know, Mr. Chuck Labelle, author-composer-performer known to every Franco-Ontarian. "Once again, Chuck Labelle made our students shine bright by identifying and revealing their immense musical talents", said Mr. Roch Gallien, Director of Education.

This great Holiday Season project is the musical expression of the universal values promoted by the whole CSPNE school community, and is part of the Board's efforts to enhance the cultural identity of its student population, based on the Board's linguistic policy.

The CD will go on sale on December 8 in every CSPNE school, as well as at the main office in North Bay and the regional office in Timmins. The cost is \$10 and proceeds will go to a charitable organization chosen by each school.
