## An Important Construction Project For École publique Lionel-Gauthier

**Northeast Ontario, June 16, 2011** – The *Conseil scolaire public du Nord-Est de l'Ontario* (CSPNE) is proud to announce that the Ministry of Education has approved construction of a new building for *École élémentaire publique Lionel-Gauthier* in Timmins.

“Built 84 years ago, the building housing *École élémentaire publique Lionel-Gauthier* is old and outdated, and no longer meets the educational needs of our students”, explained Mr. Roch Gallien, Director of Education. “Our administrative staff will soon start planning the implementation of this important construction project for the City of Timmins.”

“The Timmins school community has been waiting for a long time for this project. We are extremely happy to get this announcement by the Ministry of Education. The \$9.7 million investment in the construction of our new school is essential for the success of our students”, said Mr. Robert Poirier, Chair of the Board.
