

La magie du public !

Communiqué

07-10

Highlights of the last regular meeting of *Conseil scolaire public du Nord-Est de l'Ontario (CSDNE)*

North Bay, July 6, 2007 – The *Conseil scolaire public du Nord-Est de l'Ontario* (CSDNE) held its tenth regular meeting of the school year on June 22 and 23, in North Bay.

During that meeting, School Trustees approved the implementation of a *Majeure haute specialisation* (MHS) (a Major, highly specialized) in forestry at *École secondaire Northern*, in Sturgeon Falls. This specialization will allow students to personalize their learning experience by taking into account their skills and their interests. This Major will help students to acquire knowledge and skills in a sector that is rapidly expanding, and to take informed decisions concerning their future careers.

Also, the Board adopted the policy "*Defense des intérêts et de publicité*". This policy ensures that available resources are used to maximize the student's performance in the context of an extended learning community. This new policy, well as two additional policies adopted in March, *Carte de credit* and *Frais de déplacement, de repas et d'accueil*, are in response to the Ministry of Education's requirement that such policies be implemented in the area of expenses.

Finally, the CSDNE is happy to announce the following nominations:

Monsieur Ghislain Beaupré, Superintendant of education
Monsieur Simon Fecteau, Student Success Program Director
Madame Lynne Champion, Director of Curriculum Services
Monsieur Gabriel Giroux, Principal of *École publique des Navigateurs* in Témiskaming Shores.

These persons will assume their new roles on August 7, 2007 and we wish them the best success possible.
