### Appointment of New Director of Education

**North Bay, March 6, 2008** – The chairperson of *Conseil scolaire public du Nord-Est de l'Ontario* (CSDNE), Robert Poirier, is pleased to announce the appointment of Ghislain Beaupré to the position of Director of Education and Secretary of the Board. Mr. Beaupré has held the position of Associate Director of Education since February 29, 2008, and will officially take on the role of Director of Education effective July 1 of this year. His appointment was ratified by the Board members at the regular Board meeting on February 28.

A native of Timmins, Mr. Beaupré has worked in the field of education for nearly thirty years, as a teacher, a principal, an educational consultant, and an education officer with the Ministry. As an employee of the CSDNE for the past three years, the new Director of Education has served as Director of MISA, the Student Success Program, and Assessment and Evaluation. He accepted the position of Superintendent of Education in September 2007.

Mr. Beaupré is delighted with his new appointment: "I am dedicated to the promotion and success of French-language public education for all our students."

The Board is proud to acknowledge Mr. Beaupré's commitment to the cause of education and congratulates him on his appointment. The challenges to be addressed in education are enormous, noted Mr. Poirier, who promised that the new Director of Education would have the full collaboration of the Board.

The CSDNE expresses its warmest appreciation to Michel L. Robineau, who has devoted nine years to fostering the Board's impressive growth, five of them as Director of Education, and hopes that his well-deserved retirement will prove highly rewarding.
