### Highlights of the Sixth Regular Meeting of the *Conseil scolaire public du Nord-Est (CSDNE)*

**North Bay, March 17, 2009** – The *Conseil scolaire public du Nord-Est de l'Ontario* (CSDNE) held its sixth regular meeting of the school year on February 26, 2009, by videoconference.

At this meeting, the Board members adopted the policy « *Demandes d'organismes communautaires* ». The purpose of this policy is to enable all the CSDNE school communities to contribute to the development and spread of « *la francophonie* ». In pursuing this aim, the Board does not make any financial donations; however, it may purchase a product, service or visibility plan from a Francophone community organization.

In the context of the monthly school administration presentations, Mr. René Roy, principal of *École secondaire publique L'Alliance* in Iroquois Falls, spoke about the partnership in place at *L'Alliance*, where the *Conseil scolaire public du Nord-Est* and the *Conseil scolaire catholique des Grandes Rivières* share joint responsibility for running *L'Alliance*, in a building managed by the District School Board Ontario North East.

In addition, the Board is pleased to report that the CSDNE's 10<sup>th</sup> anniversary celebrations took place in January and February as planned. The festivities were held in the six school communities served by CSDNE: Kapuskasing, Timmins, Iroquois Falls, Temiskaming Shores, Sturgeon Falls and North Bay. One of the highlights of the celebrations was certainly the sharing of stories, anecdotes and happy memories thanks to the album of snapshots put together by all the members of the CSDNE!

The next regular meeting of the Board will take place on March 26, 2009, by videoconference. For further information on the regular meetings of the *Conseil scolaire public du Nord-Est de l'Ontario*, call 472-3443 or 1-888-591-5656, extension 238.
