**Press Release**

08-03

## **Highlights of the Sixth Regular Meeting of Conseil scolaire public du Nord-Est (CSDNE)**

**North Bay, March 27, 2008** – The *Conseil scolaire public du Nord-Est de l'Ontario* (CSDNE) held its sixth regular meeting of the school year on February 28, 2008, by videoconference.

At this meeting, the Board approved the creation of an ad hoc committee to organize the CSDNE's 10<sup>th</sup> anniversary celebration. The *Conseil scolaire public du Nord-Est de l'Ontario*, along with the eleven other French-language school boards, was established in 1998 following the amalgamation of the French-language sections.

In addition, since the old section of *École publique Jeunesse Active* needs to be restored and the school requires a larger parking lot, the Board members voted to retain the services of an architectural firm to study the feasibility of carrying out the necessary improvements to the school building and grounds.

The Board also agreed to send a letter to the Ontario French-Language Educational Communications Authority in support of its application to the Canadian Radio-television and Telecommunications Commission (CRTC) for renewal of its broadcasting licence for a period of seven years until August 31, 2015. TFO is an educational and cultural public television service established whose mission is to foster Ontario's French communities.

The Director of Education, Mr. Michel L. Robineau, submitted his 2006-2007 Annual Report, a document that bears witness to the very wide variety of activities undertaken by the CSDNE over the previous school year. A copy of this document is available at <http://www.csdne.edu.on.ca/rapportsannuels.asp>

Finally, the Board members ratified the appointment of Mr. Ghislain Beaupré as Director of Education. Mr. Beaupré has held the position of Associate Director of Education since February 29 and will assume his new position on July 1, 2008.
