

Monique Ménard is appointed Superintendent of Education

Northeastern Ontario, August 24, 2009 – The *Conseil scolaire public du Nord-Est de l'Ontario* (CSDNE) wishes to announce the appointment of Ms. Monique Ménard as Superintendent of Education. Ms. Ménard started her new position on August 4, 2009.

A native of Sturgeon Falls, Ms. Ménard has been active in the field of education for more than 15 years in the Nipissing and West Nipissing where she served as teacher, principal and diagnostician with the program *Services intégrés pour les enfants du Nord* (Integrated Services for Northern Children). She was also Superintendent for 4 years with a French Language School Board in Ontario. Her determination, expertise and human values make her an ideal candidate to tackle the various challenges that she will face at the CSDNE.

Ms. Monique Ménard is an excellent pedagogue and a dynamic manager, and she embraces a philosophy that will be a great asset for the CSDNE: "I received a very heart-warming welcome and I am ready to contribute to the growth of CSDNE and to the development of children who attend a French language public school in Northeastern Ontario. I will make sure that all students develop their self-confidence so that they will maximize their opportunities for success", said Monique.

The CSDNE is proud to add Ms. Ménard to its administrative team. She will look after the well-being of all personnel and students across the area served by the Board.
